TABOO'S AUSPICIOUS DEBUT

WINS CONFEDERATE HANDICAP TO MARK HER FIRST START IN FLORIDA.

Race Is Carded in Observance of General Lee's Birth day at Jacksonville Track-Starter's Assistant Banished for Sending Out Tips.

Jacksonville, Fla., January 19.—The Confederate Handicap, in observance of General Lee's birthday, at a mile and an eighth, carrying a guaranteed value of \$1,500, was provided as an attraction at Moncreif Park this afternoon. It brought out a small but select field, four starters going to the post. The race was a keenly contested atrair all the way and the winner turned up in the Chelsea Stable's Taboo, which won with ease after trailing her company until entering the homestretch. Goldstein took Taboo top when the break came and the mare dropped far out of it. She responded with a rush waen called on and in the homestretch came around her opponents to win going away.

It was a great day for favorite backers, five first choices winning. Jockeys V. Powers and J. Howard cach rode two winners. Three of the winners were at odds-on, but there was heavy backing for all of them and the layers suffered extensive losses on the afternoon's results.

There were a number of arrivals from the north today, among them John J. McCafferty, Mrs. L. A. Livingston, George Weeden and Frank Navin, McCafferty may purchase a couple of horses and race them here. Frank Navin came down to look over the local baseball park and he may arrange to have his Detroit team do their spring training at Dixie Land Park.

his Detroit team do their spring training at Dixie Land Park.

The judges today handed down a ruling which brings banishment from the turf for "Happy" Gallagher, who acted as one of the assistant starters here. It came to their notice that Gallagher was sending out information on the races to some of his connections in the north, hence the ruling.

The horses that Mrs. Livington is racing here will be shipped to Baltimore in the spring to participate in the racing at Pimileo. At the conclusion of that meeting they will be sent over into Canada, where they will be raced throughout the summer. Another division of the Livingston stable will be campaigned on the New York tracks.

At the final meeting of the Southern Jockey Club to act on licenses, the applications of Treubel, Chorn and S. Johnson for riding licenses and of D. Hammond, K. Spence and J. W. Kerr for training licenses were refused.

Weights for the Smith-Richardson and Conroy Handicap, \$1.500 guaranteed, for three-year-olds and upward, distance seven furlongs, to be run Saturday, have been announced as follows:

ALL THE TAMPA FAVORITES BEATEN.

Tampa, Fla., January 19.—Favorites were bowled over in every race at the Tampa Bay track this afternoon, but their defeats did not prove especially costly to the public, because the stingy prices quoted were not sufficiently tempting. On the contrary, the short odds laid against the favorites forced backing for supposed contenders and resulted in financial tenefit to the public. Ellanette, a shapely filly by Allan-a-Dale out of Foundling, owned by W. H. Fizer, was ridden to defeat in the opener by jockey Mountain, who recenty obtained a license from the Southern Jockey Club to ride the Fizer horses. Ellanette opened at 2 to 1, but persistent backing forced the odds down to 1 to 2. She was prominent throughout, but failed to beat Golden Ruby, which won in commanding fashion. Another first-time starter at odds-on to go down to defeat was Elizabethan, which Necklet led to the finish in the second race. Ormuz, making his first start since his breakdown at Latonia, cantered away with the purse in the third, for which Fleming was held at probibitive odds. The one-time crack made a show of his opponents and his connections profited well over his success. He pulled up in good condition.

The handicap at six furlongs, which featured the card, held chief interest, as it brought out some of the smartest sprinters here. Mettle Bereaud's partisans installed her the favorite by steady backing, and she would have been the winner had Lang been equal to the occasion, but he allowed her to swerve at a critical period and she was beaten by a scant margin by the much improved Warner Griswell. The disappointments of the race were Judge Cabiniss and Milton B., both of which landed outside of the money.

and another money.

The closing race was the best betting medium in a long time, four of the starters being backed for mild killings. Rebel Queen brought home the purse, with Grace Kimball just in advance of Alice for control of the control of th

Today's holiday attendance was about the largest that has been seen at the course since the opening.
C. D. Chenault's Milton B. will be sent to Jacksonville tomorrow.

Former Jockey M. Preston is expecting an addition to his stable in a few days. P. T. Chinn contemplates sending him several horses now racing at Jacksonville.

CRIPPLED JUMPERS EXPECTED TO RACE.

New York, January 19.—S. S. Marshall, who is wintering Waterspeed and several other horses belonging to Harry Vingut and other horsemen at Sheepshead Bay, expects to get Waterspeed to the post again next season. Waterspeed went wrong in a race through the field at Sheepshead Bay last season. She now seems to be as sound as ever. Marshall will not hurry her in the spring. There is a possibility that Waterspeed's old rival, Sanctus, which broke down in the same race that Waterspeed amount of the pring. The St. Leonards fencer, for which Paul J. Rainey paid a fancy price several seasons beak, is wintering at the Rainey place near Jericho, Long Island, and is as sound today as he was a year ago.

HEARINGS BEGUN ON MILLER BILL.

Canadian Live Stock Commissioner Speaks for Thoroughbred and Advocates Pari-Mutuel Betting.

Ottawa, Ont., January 19.—The special committee of parliament on H. H. Miller's anti-betting bill began hearing evidence yesterday, when counsel appeared for seven parties interested in the measure. W. E. Raney appeared in support of the bill; L. G. McCarthy for the Ontario Jockey Club; F. Meredith and Aime Geofrion for the Montreal Jockey Club; J. L. Coursell for the Hamilton Jockey Club; John Moss for the Thoroughbred Breeders' Association, G. Powell for the British Columbia Thoroughbred Assochtion, and C. A. Wilson, M. P., for the Montreal Driving Association, though not as counsel. The Winnipeg Jockey Club will also be represented by counsel, Right at the outset there was an argument as to who should get a hearing first. Mr. Raney had asked permission to call certain winesses and have their books produced. For Branes and Hole of the State of Chairman Miller, Mr. Raney stated how he proposed to proceed.

Dr. Rutherford, veterinary director-general and live stock commissioner of Canada, was first called and testified that the thoroughbred was the basis of all light horse-breeding. European governments, he said, bought thoroughbreds with which to breed horses for military purposes, Russia and Germany had paid as high as \$105,000 for a single horse, while France had paid \$155,000. In England the same object had been attained by private enterprise through the fostering of racing through centuries by the crown. During the South African war, he went on, the British remount officers had been much disappointed in the quality of Canadian horses. "You cannot have the thoroughbred horse as he is today without racing," replied Dr. Rutherford. "Unless he is submitted to keen competition, the thoroughbred would lose his speed, his courage, that nameless something wh

PIMLICO DATES FORMALLY APPLIED FOR.

New York, January 19.—Secretary W. P. Riggs of the Maryland Jockey Club was a visitor at the Jockey Club yesterday and made a formal application to the Jockey Club stewards for official sanction for a spring meeting at Pimlico beginning April 20 and ending on May 8. He said that Pimlico did not care to open at an earlier date because the wishes of Baltimoreans had to be considered and the track itself, which is made of clay, would not be fit for racing until about the middle of the month, Such dates do not fit in with the tentative schedule for the New York spring meetings previously discussed. They left a gap of three open days between the closing at Phalico and the opening at Aqueduct, and it is a sure thing that there will be no gap. It is a known fact that the New York clubs would all appreciate an earlier opening, and April 15, the legal opening of racing in New York State, is the day that is most desired to begin the season of 1910. That is not possible without a conflict with Pimlico, and President Phil J. Dwyer of the Brooklyn Jockey Club and the Queens County Jockey Club has already said that unless Pimlico could be induced to take earlier time there would be no racing about New York in the spring either at Aqueduct or Jamaica.

Should the prediction of Mr. Dwyer proye correct

to take earlier time there would be no racing about New York in the spring either at Aqueduct or Jamaica.

Should the prediction of Mr. Dwyer prove correct the racing season in New York will begin May 9, and with such a start the Jockey Club will find the time all too short to satisfy the demands of the different associations.

Making room for a meeting at Brighton Beach is where the chief difficulty is had, and the present status of the Brighton Association is such that unless a harmonious arrangement is made it may take its own racing time, irrespective of the desires of the Jockey Club.

Whether or not the Brighton Association would follow such a course, the question of dates at this time is one that will take many conferences to properly arrange to the satisfaction of the clubs that are in the field for racing dates.

TAPLIN AGAIN IN GOOD FORM.

San Francisco, Cal., January 19.—Jockey Eddie Taplin was in the limelight at Oakland today. The Mackenzie jockey piloted three winners. Horses appear to run more kindly for Taplin than other boys and his services are in demand. Taplin started off by winning the first race on Colonel Jack. The horse found the somewhat heavy going to his liking and he cantered past the leaders in the final furlong, beating out Belle Kinney, the favorite. The next success of Taplin came in the third on Lord of the Forest and he won the last race with Alder Gulch.

One of the easiest victories of the season was that of H. G. Bedwell's Keep Moving. Going to the post a 7-to-5 favorite, she romped home in front of her company.

post a 7-to-5 favorite, she romped home in front of her company.

John H. Sheehan opened up a gap on his field in the race over the Futurity course, but just lasted to beat the rapidly closing Marburg.

Word comes from Peru that former jockey James McCarthy won twenty-two races with Semproni, El Picaro, Transmute and Cressina in Peru during the season recently ended. McCarthy will do some rac-ing in Chile, he writes.

T. E. Crist's Aristotle went wrong recently and will be fired and turned out for a long rest.

and the other classes that go to make up amateur racing.

Last season under the hunt rules there were thirty-nine days of racing, the majority of the meetings being of one and two days' duration. They proved so satisfactory from a purely sporting point of view that the hunts committee has been assured a decided increase in the number of meetings. Some of those interested have promised invitation meetings at which all attending will be the guests of the gentlemen at whose private tracks the meetings will be held.

The hunts committee for 1910 is as follows: Chairman, A. J. A. Devereux, Pennsylvania; vice-chairman, C. K. Harrison, Jr., Maryland; treasurer, Joseph W. Burden, New England; Harry W. Smith, Virginia: Fletcher Harper, New York; Charles Pfizer, New Jersey; A. Henry Higginson, N. S. H. A.; Harry S. Page, N. S. H. A.; John E. Cowden, N. S. H. A.

LEADING TWO-YEAR-OLD WINNERS SINCE 1879.

As a consequence of the shrinkage in stake values incidental to the period of depression through which the American turf has just passed, James R. Keene's Sweep, the leading money-winning two-year-old of 1909, placed a much smaller sum to his credit than the leading winners of his age during the immediately preceding years. His winnings, bowever, were about on a par with the showing made by the juvenile leaders of ten or a dozen years ago. The record of the wionings of the chief American two-year-old of each year since Sensation first touched the \$20,000 mark in 1879 is as follows:

NEW MANAGER FOR SALT LAKE TRACK.

San Francisco, Cal., January 19.—Starter Richard Dwyer today received word that he had been appointed general marager of the spring meeting of the Utah Jockey Club, and Frank Skinner received notice that he had been anoninted presiding judge and handicapper. These appointments were made by those who hold a controlling interest in the track and who propose to eliminate W. W. Finn from the management.

PAJAROITA DEVELOPS ROGUISH TRAITS. Persists in Buck Jumping in Race in Which Early Tide Beats Him by Scant Margin.

El Paso, Tex., January 19.—H. G. Bedwell's former sprinting chanpjon, Pajaroita, has developed into a confirmed rogne. The freaky-shaped geldiag alsolutely refused to utilize the phenomenal speed he possesses in the handicap at Terrazas Park today and was beaten at the end of the six furlongs in comparatively slow time by Early Tide, another notorious sulker and in-and-outer. Shilling made a strenuous but uravailing effort with Pajaroita and was so exhausted after the race that he could hardly walk to the scales. Describing his experiences during the running, Shilling said: "Commencing at the nun Pajaroita began to run out and I anticipated the move and choked him back steadily until Early Tide rauged alongside. He had not been racing hard and had any amount of speed in reserve the final quarter, but would not utilize it. He buck-jumped and fought me to the wire, where he finished half a length behind a horse he could have beaten off had he attended to the business in hand." Garrity and Dunlap, the owners of Early Tide, were a cnagrined pair after their horse's victory and had to stand a lot of good-natured chaffing over his unexpected rejuvenation.

The Garrity & Dunlap stable gained some consolation with the subsequent success of Buna in the fifth and the running second of Fantastic in the last.

last.

The juvenile struggle was an interesting feature of the racing. A large field tried conclusions at three furlongs over the straight-away and quickly spread out faulike over the wide course. Beginning the final sixteenth Rue came from the rear with an irresistible dash and prevailed finally like a coming good one.

the final sixteenth Rue came from the rear with an irresistible dash and prevailed finally like a coming good one.

Voloome, one of the most consistent racers here, vanquished a numerous field at six furlongs. The mare's picturesque owner had grave misgivings as to the ability of his charge to cope with the eastern thoroughbreds. From the shafts of a buggy to a near record-breaker is something of a span in equine effort. Mondon, who is a jockey of promise, complained that Shilling, on Lighthouse, had beaten him over the head with his whip in the drive through the stretch. The incident was observed by the stewards and the Bedwell jockey was reprimanded and cautioned.

Irving H. Wheateroft visited Terrazas Park today and expressed his opinion that it will be the winter race track of the future on this continent. Mr. Wheateroft's stay here will be brief. He leaves for British Columbia at the end of the week.

NOTES OF THE TURF.

Herman Radtke, who has been spending the winter a America, will return to Europe shortly. It is said that Jockey Shilling's retainer from S. Hildreth for the eight months that his recently egotiated contract covers is to be \$15,000.

negotiated contract covers is to be \$15,000.

It is tentatively announced that the weights for the Metropolitan Handicap will not be announced this year until a few days prior to the race.

Ivan Fox of Philadelphia has bought several promising young jumpers in Virginia to carry his colors in steeplechase races the coming summer.

w. H. Cowen, a well-known eastern layer, is seriously ill at his home in New York City. A surgical operation was necessary last Sunday and it will be several days before the critical period is past.
